Yesterday: [Devotional for 9 January 2023 ODM- THE SEIZURES DISAPPEARED!](#)

Welcome to today's devotional, the 4th of this GLOBAL 21-DAY prayer and fasting programme! The earth or sand is the resolver of battles, warfare and calamities. Jesus settled the case of the woman accused of adultery in today's scripture on the sand: HE RE-WROTE HER DESTINY STORY FROM HER VERY FOUNDATION THE SAND! Also, it was the earth that vindicated Moses and judged and swallowed up his enemies (Numbers 16:31-34). Therefore, I prophesy: This year, your mockers shall end in shame, disgrace and disaster! Yes! JEHOVAH THE SAND RE-WRITER shall overturn and upturn the evil handwritings of your haters, mockers and accusers and demotion shall be their name in this 2023 in Jesus name. That means life is in the sand! LIFE BEGAN FROM THE SAND AND IT WILL END THERE! Ah! Healing is in the sand! Prosperity and wealth is in the sand! Oh! The SAND was supposed to MAKE us and not to MAR us! It was supposed to BLESS us and not to CURSE us! It was supposed to FIGHT FOR US and not to FIGHT AGAINST US! Yes! This is the original plan of God for you and I decree that by the hand of Jehovah, in this year 2023, the Sand Re-writer, shall re-write whatever was written against your life and family! Whatever INSULT has been programmed in the sand against you, Jehovah the Sand Rewriter shall re-write it by fire in Jesus name. Sow an INSULT TO RESULT SEED that will speak forth your results and cancel insults! You will be sent a PROPHETIC PSALM which you will pray for 3 weeks! Then be at the last-day WORLD ANOINTING SERVICE OF RESULTS on January 28 2023, 12pm. The God of results shall meet with you at the MANNA MOUNTAIN HEADQUARTERS,

("Jehovah Over Do" Centre), 8-10 Omotayo Banwo Street, Ogudu Orioke, Ogudu, via Ojota, Lagos. It shall be awesome! 2023 is your year! Pray seriously now! **(BRING SAND ON THAT DAY).**

### **Devotional for 9 January 2023 ODM**

Share this with me: "My name is O. M. from Zambia and I have a testimony to give but I would like my full names to be withheld. From July 2019, I have been having seizures, where I would fall and just find myself at the hospital. This would happen every two or three months. Several medical tests have been done but they couldn't find the cause. I participated in the January and July prayer and fasting programs for this year (2022) and one of my prayer points was to ask God to heal me from this. I would like to testify that my God has healed me! It's now getting to a year since my last attack. I give God the Glory. The testifier did the annual 21-day and 14-day July fasting programs and the God that does not sleep nor slumber (Psalm 121) visited her! Determine that you will not give up this fast because of Psalm 33:10 "The LORD bringeth the counsel of the heathen to nought: He maketh the devices of the people of none effect." The LORD disgraced counsel of SICKNESS to nought concerning this testifier! I am led to speak to you that the counsel of DELAY, the counsel of "rise and fall," the the counsel of "nearly but never," the counsel of financial blockade and struggle, the counsel of premature death, disappointments, sickness and diseases, no baby cry in your home, the counsel of marital delay or stagnation, etc, SHALLALL COME TO NOUGHT! This is the year the LORD will take away every INSULT and baptize you with RESULTS-TESTIMONIES THAT CANNOT BE DENIED! The God who disgraced seizures in the life of this child of God will DO IT AGAIN! He will disgrace whatever He has not planted! 2023 is your year! As you sow your, "INSULTS TO RESULTS SEED" and pray the PROPHETIC PSALMS YOU WILL BE SENT, your life will see the INCREDIBLE this year! Never miss the WORLD ANOINTING SERVICE-SATURDAY January 28th 12pm (Nigeria Time) taking place at the MANNA MOUNTAIN HEADQUARTERS (Jehovah Over Do Center),

8-10 Omotayo Banwo Street, Ogudu Orioke, via Ojota Lagos! Be ready to bring and pray with your sand!! WRITE DOWN THE THINGS YOU DON'T WANT IN 2023! We shall tear them that day! Pray today's fasting prayers on page 25 of "WARAGAINST HAMAN-18" now! Devotional for 9 January 2023 ODM

Welcome to DAY 2 of this annual GLOBAL prayer and fasting programme! Psalm 66:1 says: "Make a joyful noise unto God, all ye lands." The word 'NOISE' can also be translated as SOUND! Note that there are different kinds of NOISE (Sound) ON THIS PLANET! There is the NOISE OF WEEPING AND MOURNING! THERE IS THE NOISE of blood and war! There is the noise of REGRETS and THE NOISE OF MOCKING ENEMIES, etc! But the LORD is telling me to inform you that your NOISE this year will be very LOUD AND IT WILL BE A JOYFUL NOISE of celebration, a joyful noise of dancing and a joyful noise of **RESULTS THAT CANCEL ALL INSULTS!** It is the victory sound. It is the sound that will terrify, confuse and intimidate the devil, your adversaries and your Battles. Remember that it was when the children of Israel made a joyful sound and blew the trumpet that the walls of Jericho fell down flat (See Joshua 6). The joyful sound commands results that look like a lie, yet true. I prophesy that in 2023, there will be JOYFUL NOISE IN YOUR HOUSE! I hear that there will be joyful noise, joyful sound, joyful increase, joyful enlargement, joyful progress, joyful promotion, joyful testimonies and joyful answers in your house this year! Sow an **INSULT TO RESULT SEED** that will speak forth your results and cancel insults! You will be sent **PROPHETIC PSALMS** which you will pray for 3 weeks! Welcome to Day 1 of the annual WORLDWIDE 21-day fasting and prayer programme! I decree that God will pick you out from the crowd this year with TANGIBLE RESULTS as you pray! However as you start, always know that the PRAYER OF a sinner is an ABOMINATION to God! Yes! God wants to change that garment of INSULT to the garment of RESULT, but it must begin with you putting on the garment of righteousness and putting off any garment of sin. You have probably read or heard about the word: "HEDGE," Job 1:9-10 says: "Then Satan answered the LORD, and said, "Doth Job fear God for nought? Hast not Thou made an hedge about him, and about his house, and about all that he hath on every side?" This is the hedge of fire and protection around every child of God! But note this: Sin is a hedge breaker! SIN causes your PRAYERS TO BE BLOCKED OR WASTED! Indeed, SIN IS A TIME AND PRAYER WASTER! The easiest way to kill a fish is to take it out of the water! If the enemy is planning to hurt you, WASTE YOUR PRAYERS and destiny, the first thing he will do is to take you out of HOLINESS or the presence of God. That is why you must use this first day of this global fasting programme to confess and forsake every secret or open sin! Your INSULTS to RESULTS testimony shall not elude you this year! The RESULT that will cancel and terminate that INSULT shall hit your address by fire. Your INSULTS shall be INSULTED by the anointing! Yes! Your results shall answer your mockers, it shall dumbfound your critics and your accusers shall cover their faces in shame in Jesus name. Seeds have voices and they speak! Sow an INSULT TO RESULT SEED that will speak forth your results and cancel insults! You will be sent PROPHETIC PSALMS which you will pray for 3 weeks! Then be at the last-day WORLD INSULT TO RESULTS ANOINTING SERVICE on SATURDAY January 28th 2023, 12pm. **YESTERDAY: [Today Our Daily Manna ODM 5 January 2023 THE POWER OF A WOMAN AND THE ALTAR](#)**

I walked into the room and nobody seemed to mind whether I entered the place. I saw scores of people, all of them glued to their seats with their books in front of them. A number of them were looking up references, while others were flipping through questions of past years. Who were all these people? They were medical students preparing for their end of year examinations. They did not mind the mosquito bites neither did they care much about their meals. Many people prepare their meals. Many people prepare so much for temporary earthly events such as winning a championship, wedding, celebrating an anniversary or a birthday, yet very few people prepare for eternity. I learnt that people save money for a long time to travel on first class in a

prestigious airline, yet we do not prepare our souls to meet God in the longest journey ever - ETERNITY. This world and all its attractions will pass away. It's inevitable! Everyone will one day leave this earth to meet the Creator. It will be the most inevitable DEPARTURE! Unfortunately, millions are not prepared to meet the Lord. Now that you are still alive, why not surrender your life to Jesus Christ and dedicate your life afresh today? Drop that sin before it spells peril for you. One day, you will meet Him face to face. It's time you get prepared. The greatest joy on earth is the hope of heaven! What we do here, determines where we go hereafter. Change your focus! Focus on heaven but be mindful of this earth! Forgive people! Be moderate in all you do! Be prayerful and win souls! All other pursuits are all vanity/regrets! Think!

YESTERDAY: [Daily Manna January 4 2023 TOPIC- ERUGGEDLY FORGET THE PAST!](#)

Every woman is an altar! Only altars give blood to stay alive. During her monthly flow, she bleeds 60 times a year....When deflowered, blood leaves her. During child bearing, blood leaves her. You can't come into contact with an altar and remain the same. During certain rituals, female private parts, female pants, etc, are used! Is it only women that have destinies? No! The men do but there's something special about women. Women are eternal portals! It's only through women that life comes to the earth realm. The richest men and women of the world were born by women! Even our Lord Jesus couldn't bypass the protocol according to the law of nature. He was born by a woman! Buddha was born by a woman! Mohammed was born by a woman! Eckankar was born by a woman. Adam fell by the hands of a woman! Samson lost focus on the laps of a woman! Even Elijah ran at the word of a woman! The Holy Ghost is speaking to you prophetically today on the power of the woman in 2023! Women must know what they carry! Sin came to the world through a woman and God introduced Jesus through a woman. Even the first person to carry the resurrection message of Christ was a woman, Mary Magdalene. Women are spiritual climate controllers. When Israel needed a king, Hannah prayed! Be God's kind of woman who wakes up in the morning and the devil says; "Oh no, she's up again!" Every woman is an altar! The fulfilment of your vision depends on the altar of the woman you meet. Potiphar's wife was an altar that came to ruin Joseph's vision but he fled. Delilah came as an altar to destroy Samson; he was carried away by lust and lost his vision. Your life and vision depends on the kind of altar you meet. Not every hole is a hole, some are graves.

YESTERDAY ==> [JUST BEFORE THE SURGERY THE BOY CALLED - A Daily Manna Devotional 3 January 2023](#)

It is easier said than done: FORGETTING THE PAST! Millions of men/women are trapped in the fear that anything familiar is safe. The past seems familiar, while the future looks risky. But today's Basic Scripture says we should forget the past. Yes, tomorrow is a promissory note, but it's a promise based on the God who owns the future and the past. Robert Browning, a mighty writer, wrote many years ago that, "A MINUTE SUCCESS PAYS THE FAILURES OF YESTERYEARS." Success awaits you in this year 2023. In 2023, you will fly like the eagle! This year will pay the failure of your past years and toil. It will cancel the INSULTS of your past! Determine to map out a new plan of action for your life. Determine to TURN and GO forward, no matter the past! May God give you fresh determination to disconnect yourself from the shame and pain of your past! This is a New Year! That you failed in the past does not mean that you will fail again this year. Face your future with a greater determination. Don't die in your past mess! **RUGGEDLY DETERMINE TO MOVE ON!**

Today's 1st Word in Verse 18 says "Remember ye not the former things, neither consider (think about) the things of old." God will do NEW THINGS in your life/family/ministry this year. You shall be comforted from every side. Men shall call you blessed. Be mindful of tomorrow without being anxious. Learn from the past, because those who cannot remember the lessons of the past are condemned to repeat them. However, don't dwell in the past nor be satisfied with the past. Affliction shall not rise again a second time concerning you! Finally, never forget that every ceiling when reached becomes a floor to higher ceilings. Yes! Fear not! Dream, think, talk about and be expectant daily of the new and great things God has for you this year! If you can think it, say it and see it (imagine it) daily, then it is yours. I see you dancing a new dance this year! Forget the past. There are many more lands to be conquered this year and your best is yet to come. Pray now! (Get your "WARAGAINST HAMAN-18" booklet now! BASIC SCRIPTURES: PSALM 5:1-12; JAMES 5:13-20

When I worked as a young pharmacist many years ago in a large government hospital, I remember being in the hospital pharmacy one morning when a woman came to me and requested that I see her child in the ward, who was to undergo surgery the next day. They jokingly called me "SMALL PASTOR" in the hospital because I organized the hospital's lunch fellowship then, for all staffers. The young boy had mandated the mother to make sure that I came to pray with him before his surgery. When I got there in the evening, he said "Pastor, I knew you would come" and said, as the mother went to get water, "If you pray for me, I won't be afraid anymore." The 7- year-old boy knew the importance of prayer especially when you are afraid of the unknown or confused. I shook hands with him on the morning of the surgery as he was being wheeled into the theatre and he told me that God had taken control. I was shocked! He went ahead to tell the surgeon that he was not afraid anymore, because his "pastor" had prayed with him. I also assured him/the parents that I would be praying for him throughout the time of his operation. **Truth Is, We All Have Certain Fears Or Concerns From Time To Time!** In this New Year, the Holy Ghost is asking you a question: "What do you do when you are afraid of anything - death, poverty, late marriage, accidents, robbery, marital battles, disappointments, shame, etc? That is the time to call on the Lord. He has promised that He will hear us and as He did for the Psalmist. He will deliver you from all your fears (Psalm 34:4). The Psalmist says "he will not fear evil tidings; his heart is steadfast, trusting the Lord" (Psalm 112: 7). This is a strong complimentary scripture to our basic text today. Share your concerns and burdens with your Christian neighbour or friend and talk to the Lord together whom you trust. This way, you will lay your fears to rest. Remember the old Olympic

Slogan: TRUST? Apply it in your dealings with your God! May 2023 be that year in which you can boldly declare: "I put my trust in the LORD and He causes me to rejoice and shout for joy, because He defends me!" - Vs. 11 of today's 1st scripture!

BASIC SCRIPTURES: PROVERBS 23:1-8; PROVERBS: 10:4

Poverty, defeat, and failure are attitudes of the mind; so is prosperity. Welcome to today's devotional! Vs. 7 of today's 1st scripture says: "As a man thinketh, in his

mind,so is he..." Years ago, one of the best neurosurgeons (brain specialists) in the world said that the capacity of the normal, average human brain (not that of a genius) is so much, that it has been called the best computer operating system! He said that if what the normal brain processes daily was to be converted or built as a physical computer, the computer will be about an 80-storey high building and will occupy a space as big as New York city or Los Angeles in the United States of America (just like Lagos, Ibadan or Kano in Nigeria), or London in the UK. Just close your eyes and imagine what kind of computer you are carrying in your brain! It is the biggest computer operating system in the world! You are not ordinary! Are you not created in the IMAGE of God? When you think and learn to meditate on this, you will not die wasted. Think and learn how to meditate on the Word of God daily and you will not die a failure! There was this joke of the brains of three dead men being offered for sale: One was a Methodist, another a Catholic and the other, a Pentecostal. Each brain was sold for 10,000, 5,000 and 15,000 dollars respectively. When asked why the Pentecostal was so expensive, the sales manager said, it was because it had not been used at all. He said, "they pray and fast a lot, but do not use their brains much." So it was still full and fresh with ideas! Think seriously about that! This week and this year, may God DROP NEW UNDISCOVERED IDEAS into your brain! I see you being greater than even Elon Musk or Bill Gates of this world! Read Joshua 1:8, and meditate on God's Word daily. There is more in you than you think. The best computer in the world is in you! Déclare 7 times now: "I cannot fail! The best computer operating system is in me! I am made in the image of God! Uncommon ideas are coming upon me! I cannot fail in Jesus name!"

## 2023 ODM DAY ONE TOPIC: IT'S TIME TO 'TURN AND GO!

BASIC SCRIPTURE: DEUTERONOMY 1:1-8

**Welcome to this New Year! 2023** This is the year in which THE LORD GOD, will cancel every INSULT of the past! It is a year where INSULTS will be changed to RESULTS! A philosopher once said "Nothing in progression can rest on its original plan." In our [Basic Scripture today](#), we saw how the people of God refused to leave Mount Horeb, because of the glory that was revealed to them there. God had to tell them in clear terms: "You have dwelt long enough on this mountain. Turn you...take your journey and go.... The same word "GO" is God's marching order to you as you begin this year! "Go" and "move" are the same action words. Forget the past failures and success! God is saying it's time for progress! This year will be the best you have ever had. Amen! Never forget that any success not updated is the express route to ailure! It's time to plan afresh and move on. You don't need to know where you are going, if you know God is leading the way! Be happy with where you are and with what you have right now but never forget also that to fail to plan is planning to fail. Therefore, prayerfully draw your goals for the year and commit them to God. Planning is futuristic. It is a feed-forwarding and backwarding exercise! Planning provides direction, helps decision-making, prevents surprises, helps us to detect troubles/satanic bomb mines, and helps us to stay on track. As you determine to move forward despite the past, GOOD NEWS shall pursue you and your family from every side this year! **CONGRATULATIONS** will be your banner! You will accomplish what you have never accomplished all the years of your life, put together. Nothing

will die or dry up in your hand this year! You shall SUFFER NO LOSS! The set time to favour you has come! Wherever you go, men/women shall notice you for good and they shall salute you! Yes! Helpers shall rise for you from the North, South, East and West of the earth! Pray the prayer points below seriously, and use this devotional (Your insult-to-re- sult manual) daily. By this time next year, you will be ten times bigger and loaded with results (evidence) of your serving Jehovah God! As you prepare to do a worldwide annual ODM 21-day fasting programme (January 7th to 27th), grace shall never elude your life, family and ministry! This is your year! (Get your "[WARAGAINST HAMAN-18](#)" booklet now! It contains the 21-day fasting prayers points! Also, give out at least 7 copies of this ODM booklet!)
